“ Family and Friends, In this time of sorrow there's no words nor actions that could comfort such a great loss. I can only say I'm truly sorry and will keep the family in my thoughts and prayers. Judy was such an all around sweet person and she will be missed by many. I'm thankful to have known her. Know that someone such as Judy can never be forgotten. May the loved ones that surround you and knowing you're in the hearts and thoughts of others help you and yours through this time of sorrow and provide comfort for the days ahead. With much love, Brandy Williams-Harrell and Family

“ I worked w/Judy at InterCall - I was so saddened to hear the news! I kept looking in the paper for information on any services for her. I just found out about today's service moments ago. Unfortunately, I won't be able to make it. Please know my thoughts & prayers are with your family during this difficult time! I will always remember Ms. Judy!
