“ We remember the Anderson family fondly as the best neighbors we have ever had. Judy always presented with a smile and a gentle brightness every time we got together. She loved her Lord, her family, and her friends with her whole heart. John and I are thankful for knowing her.

I have known her most of her life. She was always ready with a smile an how are you doing no matter where she saw you. She meant so much to me over the years. She and Bobby were on my daily prayer list. I will miss her so much. She was so important to me. She was so kind to everyone she met and always had time for everyone. My heart breaks for her family. She has now seen the face of Jesus. . .

“ *I loved Judy! She was like a sister to me for over 50 years. She was a pillar of the family always showing up for everything and everyone taking care of every generation of the Anderson family. No one expected her to pass so suddenly, but I have comfort knowing Jesus saw that she was suffering with unbearable pain that ONLY HE could put an end to so he called her on home ending her misery.*

What a wonderful reunion with Ed, Mama Shirley, Granny Ollie, David and other loved ones gone before her.

Love you all ❤️
