“ I've never met a more awesome person than Julie. She was unique, bubbly, full of happYness, joy & love. She was always smiling & laughing, every day was a GREAT day if you were around her. She did my hair for years & because it was so long & thick, she would have me all day, we'd have breakfast, lunch & a late afternoon snack...seriously it took all day. I will miss her smile, her giggling & her uniqueness. Praying for Mike, Angie & Lisa & the rest of her family & the tons of friends she had. Much love & loads of prayers!!!!

I met Julie in 1976 when I married and my husband worked at the Georgia Forestry Commission on Corinth Road. I was in a new town and didn't know anyone. Julie, Miss Lula and Mr. Joe were like family to me. Julie needed a model in order to get her cosmetology license. So off we went to Atlanta, and of course she got it. We would go to the high school football games, where Alan Jackson played, and he was unknown at the time. We went to movies at the theater and ate out. I will always cherish the memories of all three of them.

“ I am so sad to hear of Julie's passing. Julie graduated from Newnan with my sister, Myra Smith Inesta, so we had a lot of people in common. Julie was my hairdresser and that of my two daughters for years. A visit to her salon was always something to look forward to. We caught up on all the goings-on in Newnan and Julie was so always so upbeat and happy. Her salon was always decorated to the nines. (Thank you Mike. We all know who created that magic 😊) My daughters said this morning that they will never forget Julie's laugh and I am sure that those of us who were lucky enough to hear it will also remember it always. We love you, Julie. Thanks for all the laughs for all those years. I am so sorry for your loss, Mike, and for her family and close friends. Julie was such a positive spirit and bright light, gone way too soon. ❤️🙏❤️🙏❤️🙏❤️🙏❤️🙏

“ I always considered Julie to be the self-described "Queen of Little Known Facts." You could ask her anything, and she always had a response. I saved up questions for her because I knew she could shed some light on just about any topic. She always had some insight to share. Julie absolutely loved to laugh, and you found yourself feeling better when you were around her. Her laughter was infectious. During these last few months, I wanted to make her laugh, but usually it was the other way around. We enjoyed our one olive in your salad at a particular restaurant. She introduced me to those wonderful lounge chairs at the theater at Ashley Park (prior to Covid). We spent time at the beach at Callaway Gardens under our umbrellas. I loved listening to her stories. She often talked about herself as "Girl loves this or girl loves that."

Girl loved pink.

Girl loved an ankle bracelet.

Girl loved bling on her boots.

Girl loved ...

You get the idea. Julie had personality with a capital P. I will miss her dearly. I will never forget her.

All my love to Mike and Julie's family. Many of us share your loss. Julie will be missed.
