“ Rob, Judy and Kathy,

I loved my Auntie June so much. She was always so classy and put together! And that sweet voice of hers. Hard to forget. She always remembered my birthday and sent a Christmas card each year, always with a newsy note. I loved getting them and so appreciated her effort. I love remembering having Thanksgiving at your house and man did she make a mean fruit salad! That was not one of Janie's best dishes! We were all so lucky to have such awesome moms. Hard to believe they are all gone. Take comfort in knowing that she loved you all so much and really hung in there after Pudge died.

Wish I could be with you for her Memorial, but I will be thinking of her and you all on Friday.

Much love always to my cool cousins!

Susie
