*Karen's joyful spirit will remain in my heart. No one can fill the void left within our stamping group. She completed that space with her energy, wit and love. So thankful for the gift of having known such a wonderfully talented friend in Karen.*

“ Remember Karen driving to Hilton Head and meeting the family at a nice Italian Restaurant. She pulled several \$100 bills from a compartment in her wallet explaining when she was at the casino in Louisville mom won a jackpot and split the winnings with her and others whom happen to be there at the time. Karen said she was waiting for the right moment to spend it and figured this was the perfect time. Condolences and prayers from all the Farley family.
