“ I have no problem doing the floor angel. Unfortunately I periodically get a very sharp pain in my upper back by my left shoulder blade. It seems to happen if my shoulders are hunched over and when I pull my shoulders back and open up my chest area, all is fine. It's very hard to be in the pulled back shoulders position all the time! Are there any exercises that would strengthen something and allow me to round my shoulders at times without pain??

“ I worked with Mrs Karen at Publix and she was always a sweet lady who worked very hard and will be sorely missed. God bless you Julie and the rest of the family. Joe Parmer

“ My prayers are with you girls. Your Mom was one of the finest ladies I had the pleasure of knowing. She was a very hard worker, a wonderful Mom to all her kids, and a wonderful grandmother and great grandmother. She loved you all so much. She will always be with you. She's with her sweet Mom and Dad now. And still watching over you from Heaven. God bless you all.
