“ Karol was the very best nurse I have known. She and I worked together for 22 years at Piedmont Newnan Hospital. She was compassionate, knowledgeable. The patient was first and safe in her care. Karol held other jobs within Nursing Service. She made a difference as leader in these jobs. There was no doubt in my mind that Karol loved the Lord. Karol walked the walk in her profession, family life, and personal life. Thanks be to God for giving us Karol. with peace and love,
