“ *Dear Little Glad, John, & family, I was so sorry to hear that Kathleen had passed away. Though I haven't seen her in many years, I have preserved her in my memory as the timeless, classy, bright, loving, spunky, seemingly-never-aging grandmother of Elizabeth and Mason that I always saw at every family gathering. We should all be so fortunate as to enjoy 95 years loving and being loved by so many relatives and friends. We are thinking of you all during this difficult time. We hope that you are able to celebrate her bountiful life even as you grieve your loss. Love, Tanya Prowell*
