“ Pat and I are heartbroken to hear of Kathy's passing. How blessed we were to have known such a beautiful and sweet lady whom we shared a special friendship with. She will fondly be remembered with so many wonderful memories during the time we have known her. She often spoke lovingly of her grandchildren, son and husband whom she was so very proud of. She loved her beloved dogs Buddy and Roxy whom she doted on always. We will miss her smile and her lively conversations very much and the times we often went out to dinner, accompanied her and Joe to the races in Bristol and how much we valued her knowledge of horticulture and how she faithfully completed our annual tax returns. God Speed lovely lady and we take pleasure in knowing that she is with her daughter Becca walking the golden streets of heaven and knowing that we will meet her again in that glorious place.
