“ Dear Moore family -

*It is hard for us to realize (as I am sure it is with you) that Kitty is no longer with us. She was much loved as a sister-in-law by all of Glen's brothers, sisters and spouses, and as an aunt by all of their children. She was such a vital part of our family when we were all raising our families, and especially after Rob joined the crowd! We remember all the back yard BBQ's, and all of those fancy decorated birthday cakes! How fun!! And all the camping trips! Watch out for campfires tho - we remember Kitty stepping onto a steel plate over a campfire to warm her feet on a cold winter morning - only the soles of her tennis shoes just melted! And we remember Glen putting out his arm just in time to stop Rob from running head first into a blazing camp fire. And we all survived!!*

*I think your family now displays many of the same wonderful qualities that Kitty had, and hope you will share in the fond memories that she has left for all of us.*

*Love to you all from Aunt Mary Ann & Uncle David Moore*

“ To the family of Kathlyn Frances Moore (Kitty);

*I just wanted to send my deepest condolences along with a few happy thoughts. Kitty was a wonderful aunt to Shawn and I when we were young children. I have lots of memories including camping trips, an anglia (turned dune buggy), and still think of her every time I see chickens). I hope for you that instead of feeling the loss that you can remember the Love that she had for so many of us.*

*Sincerely,  
Karen L. Barstow*
