“ *I literally grew up with Kathy. I don't remember a time in my childhood when I didn't know her. We had such fun together as kids, at church and as playmates all those years ago. Her family was very active at Unity Baptist and though we fell out of touch as we grew up, I have always had a very dear place in my heart for Kathy. I'm so sorry for her kids and the rest of her family. It was a shock to learn she'd gone before us. I didn't know she'd even been sick.*

Heaven now has a special angel in her. God Bless.

“ I am heartbroken and in disbelief of Kathy's passing. She left us way too soon. I went to grade school through high school with Kathy. Then she and I both worked at C&S Bank in the late 70's together and once I graduated college, Kathy and I were roommates in Atlanta until I married. Kathy was actually dating Chris at the time and she was in my wedding. We continued to be in contact for a few years, then she left the bank and I didn't reconnect with her again until about four years ago. She and I reconnected on Facebook. I know Chris was the love of her life and I am so happy they had a few more years together late in life. My thoughts and prayers are with Chris and the family. God Bless.

“ I met Kathy many years ago at the ADT Clarkston office when she worked for Bill Welch she was a beautiful kind and funny person that was always there to help. Over the many years our paths crossed and Kathy was the same hard working person and in our later careers we wound up working together in a more direct capacity. Kathy was a dedicated person to her family, her love of life and her work, we were friends as well as business associates, Such a great lady gone too soon!
