Kathy Turner, I am so sad at your leaving because of your family. You loved them all so much and they knew it. I will continue to pray for them. You and Pete and even Tyler was so good to my Precious mama by taking her to her eye doctor appointments, so that I could work. You are now healed and in no pain. You have been reunited with all the loved ones gone before. Give my mama a big hug for me. Praying for your family. Thank you for everything. I love you! I will see y'all someday soon!

“ *You will be missed so much. It breaks my heart knowing that my phone won't ring again and you will be on the other end. That I won't walk into the house and you be sitting there listening to your book, watching tv or on the phone. You have touched so many of us with your words of wisdom and the love you have given to us. I love you and miss you already!*
