“ There is no more tears and no more pain.
The light in your eyes shines bright once again.
God opened the gates and welcomed you home.
Your healthy and happy, never alone.

*Fly high in the sky and watch over us here.
We will cherish the memories and know you are near.
You will walk with the angel, they will show the way.
Until God calls us home on special day.*

I love you so much. Tina Moore

“ Katrina was 8 years older than me and when I was a kid it was a big age difference. I remember Katrina laying in the sun on a fold out chair in the back yard with one of those metallic face frame sun enhancers around her face. She was always dark and so pretty! I remember her being in love with Kevin, it was always "Kevin and Katrina" I remember hearing while I was so young. I pray God comforts her family and remembers that through Christ Jesus we will see her again!
