“ *My deepest and most sincere condolence to Kay's family. I had the honour of knowing Kay through the purchase of a Canadian Horse from Jordan Lake Farm and that was the beginning of a long friendship. Although we have not seen each other often over the years, we did manage to stay in touch via the net. Kay was a skilled horseperson and I was lucky enough to have her pass on some of those skills to me, and for that I will be eternally grateful. Kay will be missed by all of those who had the pleasure of knowing her, and her life touched each of us in many different ways. Again, my deepest and most sincere condolence to Kay's family, and especially to James. James, if I can do anything, please do not hesitate to call.*

“Mr. James, I want you to know that you will always be in my thoughts and prayers. Kay was such a wonderful person inside and out. She was more than just a friend to me; she was a mother figure to me and Avery, as well as a woman of integrity. Through all of our time spent together at the farm breaking and training horses, running errands and sharing stories together meant the world to me! She always had a passion for everything that she did in life. She could make me laugh as easily as she could make me cry. I remember a phone call that we had a few months ago and Kay and I were both crying and Kay said, “Kyndall, I can’t wait to get to Heaven and ride that horse that I know that God has already chosen for me. I’m going to ride and ride and ride and run through every field I can find with my hair blowing in the wind. And if that is the worst that can happen to me, then bring it on girlfriend!” The stories that we shared were about anything and everything that you could think of! We would often talk about you and how much she loved you. I remember the time that you had come down to the farm to help with lunging Kaid and when you turned that corner behind the barn, Kaid spooked at something, sending you flying into the mud. Kay, ever so calmly came around the corner asking what was going on and being the horse person that she was, she brought you to the wash rack and hosed you off...starting at your feet! She truly loves you and only wants the best for you!

Before you arrived at the rehearsal, Kay and I talked about what a wonderful person you are! She loved you more than life itself and would do anything and everything for you! Matthew, your Grand-mommy sure loved you! She loved to fish with you, play with the chickens with you, ride Little Black with you and spend time with you playing with your tractors when you were younger! You were her little blessing from God and she will always be with you and love you! Mrs. Pam and Mrs. Jane, Kay loved you two very much! She always spoke so highly of you. Today, at the service, you both taught me to be a great role model for my younger siblings, as Kay was to you. You were the strength to get her through her toughest times over the past year and a half. She will always be with you! To everyone else that had honor to

*know Kay, my prayers are with you! Kay is in the best place possible riding horses and looking down upon us watching over us! God bless!*

“ *I was deeply saddened when I opened the newspaper yesterday. Our family grew to really love Miss Kay when we were neighbors. My daughter Abby would beg to go spend time with Kay because she knew she would be spoiled at her house. It was hard not to love Kay due to her huge heart and outgoing personality. My prayers are with James and the rest of the family. God bless.*

“ *It's impossible to overstate how much we've lost. When I heard the news today, I literally fell back into my Office chair. My heart aches for James and the Family. Kay was the goodnes you so rarely find in people. Our loss of this wonderful friend will leave an empty place in my heart that will be difficult to sustain. But our loss is truly Heaven's gain, and I pray that my Friend Kay is at home with The Father, Happy, and Content. I hope , one day, to renew our Friendship. God rest you, Kay.*

“ I wish to express my condolences to Jane and Ken Young, Pam and David Barrett, and Heather and David Downing and children, as well as the husband and children of Kay Jordan. I met Kay a few times but I've heard many fond stories from Pam and Jane about their sister. She fought a long hard battle and left your family too soon. I hope you take strength from her legacy and know that she is in a better place without the suffering she has gone thru.

“ My Dearest Cousin Kay, I cannot accept that you have left me so I will write as if you are still here. I know you will read it wherever you are. You are so much more than a cousin. More than just family. You made me feel as if we were kindred spirits. We were opposites in so many ways and alike in many others. We were yin and yang. You were always the better side of me. Always happy to my sad. Always peace and calm to my war and strife. You were a joy to be with and I loved you more than you can know. I will miss you terribly. I am so sorry for my loss but I am so glad and happy for you. My dog Sable saw me crying as I was typing this and nudged my arm away from the computer. She put her paws up on my shoulder and hugged me. She licked my tears and then just stared at me for a moment as if to say "It will be OK". I told you once before my heart resides inside Sables body. ....It was really you wasn't it? I love you my dear cousin and friend.

“ I will dearly miss Kay; she was such a wonderful teacher and friend to me when I reentered the world of horses. I spent many happy hours at her barn learning so much about horses and horsemanship. She was such a delightful, happy person. My two Canadians, Legacy and Noble, both came from her, and I will think of her often as I enjoy their company. My sincere condolences to her daughters and entire family. Lee Griffith
