“ *Kay was an incredible friend and cohort! We shared so many fun times, as well as hard times. We truly were together ‘in sickness and in health’. She was an amazing teacher with so many ways to make learning fun. She was also an integral part of Kayli’s upbringing. She really was her third parent. Kay was known as the tough one, but she really was a big softie at heart. She touched so many lives and will be missed by all who knew her. RIP Ms. Kay ❤️*

“ *Kay's 1st love was her students in elementary school and later the 4-5 year kids at Kids R Kids. She mentioned many times that since she and sonny didn't hve any children, her students were her 'kids'. Can't beat that.
Her Dad, Carroll Williams.*
