

Kelly Mikael Welsh

March 25, 1997 - May 26, 2026

It is with profound grief and immeasurable sorrow that we announce the loss of our dearly beloved Kelly Mikael Welsh, who passed peacefully on Tuesday, May 26, 2026.

Born in 1997 in Richmond, Virginia, Kelly was the youngest of four sisters. Though her time on Earth was far too short, her twenty-nine years were filled with love, laughter, and creativity. Her bubbly personality, adventurous spirit, and genuine care for others left a lasting impression on everyone fortunate enough to cross her path.

Kelly will forever be remembered as a devoted daughter, loving sister, and cherished aunt. Kelly was a gifted singer, dancer, pianist, and mathematics tutor. She delighted in figuring things out for herself and ultimately pursued a career in mechanical engineering. Kelly's quick wit, infectious laughter, and appreciation for a good pun could brighten even the darkest days. Kelly enjoyed spicy food, musical theatre, and family celebrations. A true empath, she had a special way of making people and animals feel treasured, especially her dog, Cooper.

The guiding principle of Kelly's life was her favorite Bible Verse, Matthew 6:34: "Therefore, do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own."

Kelly is preceded in death by her grandparents, Alvin and Carolyn Wile, and Melvin and Antonette Reedy, and her aunt, Mary Bartashus.

Kelly is survived by her parents, Jonathan Welsh and Josephine Welsh; her sisters, Kasey Welsh (Austin Erker), Courtney Welsh, and Carly (Jacob) Waddell; her three adored nieces, Adeleigh Waddell, Ella Waddell, and Genevieve Welsh-Erker; and countless aunts, uncles, cousins, and dear friends.

A private memorial service will be held in Kelly's honor. While her absence leaves a truly unfillable void, her spirit lives on in the hearts of all who had the privilege of knowing and loving her.

“ I work at Skinnys Bar and Grill, she would come and sing Karaoke. She was a bright star, when she came in the door everyone looked. She had a beautiful spirit. Everyone loved her energy, she will be missed. Debbie from Skinnys.

“ I’m at a loss for words..... Kelly was the most amazing and fun person I knew and had such a huge impact in my life. She was the sweetest soul I have ever met and she helped save me in a way she never knew. Kelly and I knew each other for only 4 years, but we shared and created a lifetime of memories in such a short amount of time. She was an absolute joy to be around and every minute turned into a memory with her as she became one of the closest and most loved people in my life. I’m going to miss you dearly Kelly! Life is not fair. Heaven gained such a beautiful soul and an angel and your work here is done. Kelly and I used to stay up all night and just talk about life and what we wanted out of it. Kelly always just wanted to be a positive light and make a positive impact in the world, and she did that and much more. I’ll always love you Kelly, and I’m going to miss you like crazy! I’ll see you again one day, love, and until that day, hold it down up in heaven! May your beautiful soul rest in peace. I love you Kelly Welsh, forever and always!
