“ Dear Beckom Family: I was shocked and saddened to learn that Kenny had passed away. My son, Jacob, and I remember him so fondly from PONY League baseball and we enjoyed having fellowship at All Stars when Ty and my son, Jacob were on the All Stars team together. It was so exciting to ride to Marietta and sit cheering my son's daddy, Eric, coaching the boys in P.O.N.Y League all stars. Laura and I were a two woman cheering section up in the stands. I also recall seeing Kenny at various schools when I was sub teaching all around the county. I don't think I ever saw Kenny when he was not smiling. My son's daddy, Eric, went home a little over 9 years ago and I think he and Kenny will now be coaching a youth baseball game upstairs. You all have our sincere condolences and know that he and Laura are now watching you boys from heaven.

“ Hey Wil, I knew both your mom and your dad originally through baseball when you were a young pup, but got such an appreciation of both by what they did off the field. Your dad truly cared for the kids whose lives he touched daily, and his impact both his family's and many other people's lives will be remembered by so many.

“ Ty, Wil and all the family our hearts and prayers go out to each one of you. Kenny was family first, he was also a friend and he was a law enforcement brother. We spent a lot of time throughout the years talking, hunting, fishing, football games and solving the worlds problems. His compassion for people, among many things, made him a good person and that led to him being a good officer also. He endured a lot the last few years but his heart remained big as ever. The last thing I said to him was, I love you cuz and he said, I love you too. We will miss him.
