“ My heart goes out to the entire Fitzpatrick family. Kevin was one of the hardest working and most dedicated individuals I've ever met. His gift was how he could instantly put you in a better mood just by being around him. I speak for the entire Lilburn family that his smile and presence will be missed but not forgotten!

“ Probably the hardest working young man I'd ever met. A “Hoss” of a bread man who could knock out two routes then start on a third. When he blinked, he sweat. Never backed away from a challenge. Loved by everyone who knew him. His life touched a lot of people and will sorely missed for a long long time.
