“ Kevin and I met awhile back with my best friend Morgan. We met his family and his family would always have welcome arms as we were apart of them. I will never forget the positive vibes and loving friendship I had with Kevin. He was always so kind. Praying for your family so hard ❤️

“ I love you, you crazy kooky kid. You and your pocket duck. Scaring everyone. Belly guy laughing when you got tickled. Your soft big heart.

I know one day I will see you again and I will hug you and will always tell you I Love You!!!

“ *My dear sweet little crazy brother. Oh how I wish you were here still chase me and the kids around or jumping out to scare us. I love you very much.*

I miss you

I miss the loud music coming from your room

I miss the warmth of knowing You're just a call away

I miss the way we fought and played

I miss seeing your big bright smile

I miss getting kicked out of your room

I miss seeing you here and there

I miss cooking you breakfast lunch and dinner

I miss hearing you come in at night

I miss making you wear your seat belt

I miss holding your hand to pray

I miss your smell

I miss you with all my might

I miss the way we would fight

I miss my brother

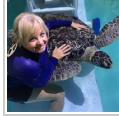

I miss my friend

I miss you I love you and that's

THE END!

“ Kevin was our one and only son. He brought so much joy into our lives through his loving personality. From the day we brought him home to his last day here there wasn't a day that went by we didn't say "I love you". Kevin, I will forever miss your smile and humor. There will always be a big hole in my heart, but I know I'll see you again in eternity. What a blessing to have you as my son.
