“ I am so sorry for you loss. I worked with Kevin at LNT in newnan many years ago, we stayed in touch periodically. He was such a sweet person and he always put others before himself. I spent many days listening to his stories about his church and the band and all the things he did with them. He will be missed.

Kevin was a long time friend of mine we met at LNT in new nan. I did not know he passed until yesterday. I asked him how he was not long ago as he told me he had to have heart surgery, but when I never got an update I feared the worst and looked him up and found this. My condolences to the family. Kevin was a good man, he helped me a lot through the years during hard times in my life. He was always asking how I am doing and he is one of the only people that ever cared. I am heartbroken that he is gone. May he rest in peace.

“ I was in band with Kevin back at North Clayton Senior High. We both played percussion instruments. We rode on the same school bus. We got off the bus one stop apart. We were friends.

My condolences to his family.

“ I am Kevin’s cousin, Connie Holland from Plant City, Florida. I am so heartbroken for my Uncle Roger, Aunt Fran and the rest of his family. However, I know he is rejoicing with our Heavenly Father and playing music in that heavenly choir. I’ll miss talking to Kevin but I know I’ll see him again. Love you Cousin!
