“ *Carol Ann, You had a good one! Hate that God wanted him sooner than we would like, but he sure did make an impact on those around him.. including myself. Freddy's strength through his trials has really helped motivate me in my journey. The both of you are such an inspiration through the example of your 50 year marriage. Love you. Susan, You're the best sister I could ever ask for. Please let me know if there is anything I can do to help you through this process. I love you.*

“ Carol Ann and family, my prayers are with you during this time of loss. Once Don and I met Freddy, he was a friend. He knew how to grow and share his vegetables. He even picked, washed and delivered them when he was able. I will miss seeing him. Heaven has gained another Sharpsburg friend.
