“ Kim just crossed my mind tonight out of nowhere. I knew she was sick and I have thought about her every now and then and had hoped that she had recovered. I know Kim because we were both Read 180 teachers in Fayette County back around 2008-2011 or something like that. I remember sitting in a training meeting with her and she loved chewing on ice after she finished drinking whatever she was drinking. I can still see her sitting and crunching ice. I hope that you get all the ice you want, Kim, in heaven. I still see your face very clearly in my mind.

Hi Talha, I am so sorry you lost your favorite teacher. I remember how worried you were when she was sick and how you hoped and prayed that she would get better. I felt the same and I truly have thought about her ever since she became sick. She and I were friends and we taught reading together at different schools.

“*Mrs. Carter was an amazing teacher. She always fought for us to strive and to do better! There will always be a quote that she shared with the class that will stick with me forever. It read “If you have nothing nice to say, don’t say anything at all.” She has helped us countlessly and I miss her so much! Much love to Caroline, and Craig.*

“ In loving memory .. prayers for the Carter family! Kimberly Hill Carter! This is the best teacher in the whole entire world. Mrs Carter fought to the very end with her battle with cancer. Everyday when I went to school she always had a bright smile on her face and was ready to pour love and education in her students and That made me feel so grateful that I had a teacher that loved us that much and cared about our education. She never gave up on me or any of her students and I am so thankful that I have a Godly teacher like you! I love you so much and I can't wait to see you again in heaven Mrs Carter! ❤️ Rest In Peace Lauren Pitts, FCHS student

Every time we spoke regardless of the time that past , she always made sure that I knew you loved and missed me. We shared a many of limeades together over the years while doing her hair. I will miss her beautiful smile for sure. My life has been enriched by knowing her. Craig and Caroline you were her pride and joy. Prayers for the family for comfort and peace. “ Craig, sending prayers for you and family members during this most difficult time. I only knew Kim through facebook, but I know if you chose her for your wife she had to be a very special lady. I have only read good things about her. Even though she will be missed down here, I know the angels are rejoicing with her presence in heaven. Love you and your family.

I've worked with Kim all of the time at Flat Rock Middle School. She was indeed a very sweet person to work with. She will surely be missed. I am out of the country and won't be able to be at the service. Heaven has gained an angel. RIP Kim.
