“ Though I have not been able to see Aunt Kim for several years she was and still is my favorite aunt. I have many fond memories at her house as a kid from her vibrant personality who always showed loved ones how much she loved and enjoyed their company to her delicious food she loved making for everyone! She definitely made an impression on all who knew her and she will be missed by many. My thoughts and prayers are with her immediate family. I am deeply saddened by her death so I can't imagine the grief they are experiencing. I will be thinking of them tomorrow as they say their good byes to her. Love Kelley Abram and kids

“ *What a China doll your Mom was! Through these photos you can see the love she had for her family! Kim my sweet sissy after spending time with your Mom I knew then where you got your kind, loving, and generous heart. I never left her without my hands full of gifts of love from her. From day one as I would leave she would wave and say "i love you."*

We will see her again one day my friend!!!

May the sweet memories carry you all through these difficult days ahead.

Love you all!
