Gene will missed by so many He was a wonderful man. I have know him since he was about 10 yrs old... He spent so many hours with my parents at their Shoe Repair (Duncan's) Shop in College Park .and at our house. My Brother Johnny and I considered him a younger brother and we all laughed about that from time to time . I know mom and dad were there in Heaven to meet him as he arrived..along with all the members of his family I know Martha was right there in front..He loved her so dearly.RIP our dear friend... ..

“ Didn't have the pleasure of knowing him very long we talked about 2 weeks before the car show in Sargent that told him about and he called me that morning to make sure the car club was going. I assured him I would save him a parking spot with us and he was tickled like a kid at Christmas when he pulled in and I guided him in his spot we got his chair setup and got him something to eat. Later that afternoon they were doing awards and when they called his name for best of show he didn't hear them when I told him his eyes lit up and he was so honored.....he will surely be missed at the shows
