“ *Charlene and I were saddened to hear of Klarita's untimely death. As Chantel was growing up with Stephen and Andrew, Klarita was always a warm and loving presence to them and to her. Our prayers are with her dad, as well as with Kathy and the boys.*

“ *To Klarita's family,
I was very lucky to have met Klarita last year and although I knew her only for a short time, I learned quickly she was a very giving and loving friend. She always beamed when talking of her family! I was very lucky in that she shared her love and knowledge of the game of Bridge with me and several others. We were so lucky as she knew the game well and was a patient teacher! I will always remember her favorite saying: Bring the children home and anytime I play bridge I smile when I think of that! So sorry for our loss...she indeed was a very special lady.*

“ To Klarita's family,

Mere words cannot express the sorrow that I feel at the loss of my mentor, friend and "wingman." She helped me and others conquer our own "alligators in the swamp" and for that I will be forever grateful. And to her family, please know that you were always on her mind and in her heart. I am so sorry that I cannot be there in person to pay my respects, but I will be thinking of her, of you and all of us whose life she touched in that special "Wild" way.

With deepest sympathy,

“ Klarita was an amazing leader to me. She supported me in getting my Masters and always dropped by to ask me: “What’s next for you?” Glad I had her on my life...she was a champion of others.

“ *Rest in sweet Peace Klarita,
I will never forget our conversations. Great playing tennis with you in Detroit, 28 short years ago, you were an unbelievable competitor, so disciplined in your life. I am fairly convinced you packed a 45 year career into about 30 years, you were such an impressive person. I firmly believe we never really die, rather we live on in another realm outside of time, and from that place be assured your beloved family will talk to you from time to time and pray for you and with God's grace all of us will see one another again, in realms of clearer light, outside of time, with the creator of time itself,
Peace to you sister,
Lincoln*
