“ Mr Kim was a wonderful man, i personally knew him for many years. I first decided to bring my car to his show. Then after i seen his service, he was always my mechanic. After the years of him servicing my cars. I got to know the man, he was kind, honest, hard working. He always made sure my car was reliable and safe before i left. You can tell he was a good person by that. We would talk while he fixed my car. Thank you for the good memories, and for always looking out for me. Thank you, you will be missed, rest in peace friend.
