Kyara was an inspiration to all that knew her. She was brave, tough, and determined. She was an orange belt in karate, a soccer player and liked to read and write. She was very sweet and loving. “ When my son Creighton began Pre-K last year, Kyara's name was mentioned on the first day. Creighton enjoyed learning and playing with Kyara, and he continued to follow her progress after her operation. He was so lucky to have met Kyara! What a blessing she was to all who met her. We will always fondly remember Kyara, and we will keep praying for your family. Sincerely, The Smith family

“ Dzenis Family- Although my time spent with Kyara was short as her OT in the school system, I thoroughly enjoyed each moment spent with her. She was a beautiful little girl and taught me many lessons in a short time.....how to be a better therapist and to not take for granted each day I have. I hope I made a small difference for her in her time on earth and will cherish the memories I have of times we worked together. Thank you all for sharing her with me and it encourages me to know she is no longer limited physically. You are all in my prayers! Fondly- Dara Thomas
