“ I am so shocked to see this and believe he is the Larry who used to go sing karaoke with us in Senoia at Southern Country steakhouse. He seems to be the same age but I did not realize that he had moved to FL. i have very close friends who are officials in the Gold Wing association and they told me of the death of a member but did not say their name. They reside in Panama City Beach. At any rate whether it is the same Larry that I was in a computer club with or not I am so sorry for your loss. He sounds like such a wonderful man with a caring and generous spirit. Bless all of you.
