“ Dear Dad, I was not ready for this. I am going to miss you so very very much. I know you are not suffering any more and that is what brings me comfort. I promise all 3 of your grandchildren and Peanut and Ms. Molly will be well taken care of. Steven is so excited that he gets your car. He will always think of you when he drives it. You gave me the best life I could have ever asked for. I promise to keep making you proud. This is not goodbye, just until we meet again.
