“ *When Larry approached me at the Vacation Bible School table to sign up to be a crew leader, I wondered if he would be able to keep up with the kids. I assigned him a high school assistant, just in case. The assistant could not keep up with him! Watching him dance and connect with the kids during worship is a memory I will always have. What a kind, generous, loving man. I feel blessed to have known and served alongside him.*

Larry was a warm, friendly man. I never saw him without a smile on his face. He never complained about anything. He was truly a blessing to everyone who met him.
