“ I first met Larry when he married my cousin Linda but as I'm in New Jersey, I didn't see them all that much, but I remember him as a gentle, kind and caring man with a subtle but very fun sense of humor. He loved his life in the country, but still came to New Jersey in 2008 to my daughter's wedding and I so appreciated that. His family was the center of his life. I am sure he has God's peace now and is with the Lord. I'm confident the Lord is saying "well done, good and faithful servant". My heart and love goes out to Linda, all the children, grandchildren, great grandchildren and so many close friends.

“ We grew up not too far from the Newman family on the Heard County side. I had contacted Larry on numerous occasions to help with the trees on my property. He was professional, knowledgeable and treated everyone with respect. I know that he will be sincerely missed by all that knew him. My condolences to his wife, children, grandchildren and sister and the remaining additional family members.
