“ Lynn was always kind and caring to my daughter Anna Alexander (Mia Morman's mother) when she and Clay Morman were expecting our little Mia and were a couple. She was glad her precious Levi would have a cousin and playmate. I always loved how she said exactly what she thought of something because not many people do these days. Lynn was always very kind to me whenever I joined in Morman family gatherings always making me feel welcome and part of the family. My heart goes out to you Kenny because while your and Lynn's children are mourning the loss of their mother you are mourning your companion and wife and confidant and I will be praying for you during this difficult time. To Katie, Travis, Cole and Levi I know the heartbreak you are all experiencing firsthand and I'm praying for each of you as you deal with the sudden passing of your mama. I will continue to pray for MawMaw, Sean & Kim and kids and Lynn's extended family. Her memorial service was a tribute to how much she was loved. All my Love-

I remember going to Betty's and hanging out downstairs in Lynn's room listening to music and playing with Candy that big huge St. Bernard y'all had. I also remember when Lynn took us to a Bob Segar concert and not long after that I believe we went to see Iron Maiden!!! Good Times!! Lynn loved you all with her whole heart and would have done anything at all for her family & friends!! God Bless you all!!! Love you guys,
