

## Lee Gordon

January 14, 1963 - February 24, 2016

Lee Gordon, age 53, passed away Wednesday, February 24, 2016 at Brightmoor Hospice in Griffin, GA. She was born on January 14, 1963 in Salt Lake City Utah to the late Donald Domgaard and Dorothy Ridgeway Domgaard.

Lee loved life and nature and loved to be outdoors running, kayaking, gardening, and other outdoor activities. There was nothing she couldn't do if she wanted to do it and she always did it well. She created beauty all around her and did a lot of canning, sewing, and fixing up her house and yard. During the last 10 years she raised chickens but fell in love with raising dairy goats. One of her goats was even in the TV show *The Walking Dead*. People came from miles around just to get the goat milk and the goat cheese that she would make. Lee was vibrant and was a joy to be around.

The funeral service is Sunday, February 28th at 10 AM in the chapel of McKoon Funeral Home with Brown Powell officiating. The visitation is Saturday evening from 6 PM until 8 PM at McKoon Funeral Home.

In lieu of flowers the family asks that donations be made in Lee's name to The C.O.R.R.A.L, 52 Oliver Potts Rd. Newnan GA 30263. Condolences may be expressed to the family online at [www.mckoon.com](http://www.mckoon.com).

Lee is survived by her husband Dave Coleman, daughter Sarah Gordon Pixler, grandchildren; Keagan Micha Pixlar, Deklan Vaughn Gordon, Brothers Byrant (Carolyn) Domgaard, Paul (Kathleen) Domgaard, Aunt Sarah Ruth Jones, cousins Donna Jones, Richard Jones and a long list of loving family

members who will miss her dearly.

“ I remember when Lee first moved to Georgia and I was worried about recognizing her. I pulled up to the house and saw a woman enthusiastically digging a root out of the ground. Instantly i knew it was her because only kin would be so exited about something like that lol. Lee has added so much to my life that words cannot express it. She was able to connect with me in a way I found to be very healing. I will always cherish the time we spent together.

“ Though we were 'country' neighbors, across the creek, we first became aware of Lee through her jogging. Whatever the weather, or traffic conditions, she was a regular sight in the area. We'd only talked a few times, and every time I passed her or her house I would mean to stop. Her passing is a loss in so many ways, for so many people. We extend our deepest condolences, and hope her loved ones find comfort in knowing she touched so many in a relatively short time in our community.

*Lee's house was a safe haven for our dog, Hershey. Everytime he ran away, we always knew where to find him and often he would be inside her house which was a real treat. Lee will be missed by many.*
