“ *Rick and Scott- I am confident that my late mother(Eve) and Lee Ann are whooping it up in heaven, and are probably creating a scene by now. They were good at that!*
I am dismayed at her passing and have been thinking of you every day since I ran into you in Farmington. Stay strong and know you are in my prayers.
With all my love,
Mike Thomason

“ Dear Rick and family: I am so sorry to read of Lee Ann's passing. Yet another former neighbor from the second phase of Hearthstone Subdivision has gone to heaven. We just lost Claire McCollum a month ago who lived about four houses down from you. Claire had been in the store fairly recently and it's been about two years since the last time I saw Lee Ann there. I was just recommending a friend go see Lee Ann about some jewelry. Whenever I went in I felt like I'd been to see family and not just getting a new watch battery. My son, Jaciob, and I will be praying for your entire family. Lee Ann was so young. God bless.

“ Rick,
I can only say with a sadden heart how sorry I am for you and the girls. I will always keep wonderful memories of your beautiful wife and the person she was. When I needed you both you were there for me. She was that one person in my life that I could always count on. She was never afraid to speak her mind and tell you if she though you were wrong or right. I can't remember a single time that I didn't receive a card on almost every occasion. That's just who she was. She was my granddaughter & grandson secret Santa for years and know one ever knew except me. She treated my mom like she was her own. The Lord knows how special she was and I have always been told there is a special place in heaven for people like her. I love you my dear friend and I am praying that God will give the peace of knowing she is in his care.
With Love,
Glen
