“ Sometimes not even all your love and caring can make another person's life easier. Knowing that doesn't take away your sadness in losing someone special. But in the days to come, it may comfort you to know that you gave all you could with all the love you had. And no one can do more than that. GOD BLESS Geraldine Van Riper (Savannah Court)

“ Terry, I don't think I will ever forget your mother and I know I will never forget you! I just pray that my son will love and take care of me the way you took care of your mother. She was truly a blessing when I was at Pointe Magnolia and Savannah Court. Her laughter would keep us going at times and then we would cry at times but we did it together. I remember when your dad moved in. He was such a fine gentleman. But, now she has joined him and we know he is very happy. What a pleasure to have known and helped her along the way.

“ Mr. Lee, I am so sorry to hear of your mother's passing. My dad, "Mr. Bill" Laurent was a resident at Pointe Magnolia for a while and I remember your mother very well. Whenever she was not in the mood to cooperate, the nurse would simply say, " Terry wants you to do this or that", and she would be ready to do what they asked. My three children and I were often there when you came to visit your mom, and I know your daily visits meant a lot to her. Sincerely, Terri Ivey

“ It was with profound sadness that I discovered the passing of your Mother Lelia, Terry. It just hurts... to lose a parent. Thankfully, your mom and previously your dad have left a legacy of family that truly lives on forever. As you come together these next few days, be sad, but remember to rejoice and celebrate a life that was a beautiful, bright star in this universe we call "life". With our sincere condolences to your whole family. Tom & Maureen
