“ *I met Leo when I was a teen and worked with him to run electrical in a Bible School in Chile. He was a patient man and easy to work with. When I saw him out of my peripheral 4 years ago at a church event, I couldn't believe our paths had crossed again. I loved being able to reconnect with him. May God be with your family.*

“ Leo, I remember having you as a patient at Piedmont Fayette Hospital. You were a very nice guy whom I loved caring for. Although I know it's not easy to lose somebody, I know you're in Heaven with Jesus. Rest In Peace, Leo. See you on the other side!
