“ I met Nanny in 1983 shortly after meeting her youngest daughter. We got married in 1984 and I got more than a wife I doubled my family. Nanny was like a second mama to me. She was a hard worker I don't know how she could do all she did. She loved to work in the yard and it was beautiful. She loved to watch wrestling on tv she knew all the names of the wrestlers. She would watch them and laughed the whole time. She also loved watching the Braves. I never heard her complain about anything. I was blessed with 2 mama's. She was in the hospital er Thursday we ask her how she felt and she would say I'm fine when can we go home. I know we're all sad now but she's in glory land today. She is at Home now. I love you nanny. Jimmy

“ *Love's Endless Horizon*
In the heavenly skies, you find your peace,
A mother-in-law whose love won't cease.
For the woman you raised, I'm forever grateful,
Her presence in my life, a love so faithful.
Your nurturing touch, a guiding hand,
Molded her heart to understand.
She carries your strength, your love, and your care,
A reflection of your spirit, beyond compare.
Thank you, dear mother-in-law, for the gift you've bestowed,
A wonderful woman, my love has overflowed.
In her, I see your legacy shine,
A bond that transcends the hands of time.
I love you Nana,
Ricky
