Dr. Les Luttrell was truly a wonderful person. His incredible kindness and friendship to my family will be forever cherished. My late dad and Dr. Les spent many happy hours doing many maintenance and building projects. I spoke with him frequently, and in our last conversation on Monday, July 25th, we talked about what brought us joy to our lives that day. He told me how much he enjoyed feeding the deer and other animals in his yard. He will be dearly missed by so many!!

Les was an intellect and was genuinely one of the most interesting people I've ever had the privilege of knowing. That fact makes it a great honor to be able to call him "Uncle."
