“ *I knew Leta since 2014. I finally met her in person in 2017. We sent messages back and forth. During this time she told me I could call her Aunt Leta. She did make our hearts sing. She is such a sweet and good hearted woman. I love her very much. She was the reason why I started saying, “Oh My Stars.” She helped me through a lot. She is such a huge blessing to all who know her. My thoughts, prayers, and condolences are with her family during this life changing time. I cannot wait to see her in paradise.*
