“ I am sitting here with my best friend, as she is kind enough to share with me this McKoon Funeral Home Obituary of my dear brother Lewis Benton Badgley. I was not able to attend the service due to recent hospitalization regarding my serious health issues. My heart breaks for the loss of my brother, my best friend. Also, my sincere sympathy and prayers to Ben's family, my sister-in-law, Jennifer and my niece and nephews, I miss you all so very much, with love, Aunt Dena.

My favorite memory of Ben was our fishing trips; many times, I caught him before I caught a fish. He always seemed to be standing behind me each time I cast my fishing rod and as I threw the rod back it tapped him on the shoulder before I cast rod forward to catch the fish. Many memories shared but not forgotten.

I am appreciative of Mckoon's Funeral Home website and very thankful there was a way for me to be a part of this service in some small way. God Bless, Respectfully, Dena Badgely
