“ I remember Wayne as a caring and supportive professional at West Georgia RESA. He always had a quick, dry wit that made life lighter. Karen, you and your family will be in my thoughts and prayers in the coming days. I'm so sad to hear of Wayne's passing. May God surround you with the love of friends and family at this time of sorrow.

God Bless You!

“ What sweet, fun memories I have of dear friend, Wayne. He was a talented, smart guy who will forever be in my thoughts as a fun loving young man on the brink of great things. I was fortunate to be included in the escapades of Andy, Joe and Wayne as we "enjoyed" all Tifton had to offer. I will remember him as a great friend and true southern gentleman. God bless and be with the family. Peggy Garrison Campbell

“ I am very proud to have had Wayne as my brother. We were very close growing up eventhough he was four years younger we shared a lot together. When he was still in high school and I was working, he would come and ask me for spending money back then a \$1.00 would go a long ways but I always was glad to help him out. Wayne was very talented in music and that talent carried him through high school, college and life. The best thing to ever happen to Wayne was when he married Karen. She was the love of his life and God blessed them with two beautiful children Joel and Sarah Beth. I will miss him very much and always be thankful for how Karen stood by him and cared for him. If ever there was a true love, it was the love between the two of them.

“ I went to the Tifton schools and to First Baptist Church with Wayne and counted him a true friend. For some odd reason, I can see us and many others now on the TCHS band bus. Heaven will be richer for welcoming Wayne, but my thoughts and prayers go with his family and many friends. With love, JuJu Hutchinson Young

“ I have so many fond memories of Wayne. He and Kay, Rose Ann, Pat, Pam and I grew up in Tifton more like siblings than cousins. We had so many happy times. We celebrated birthdays enjoying Aunt Mamie's famous birthday cakes. We played together in her Mimosa tree and chased fireflies at night. (We thought they might offer a cure for cancer. Keep in mind we were just kids.) We were together on holidays. I will always cherish those happy times. Karen, you Wayne, Sarah Beth and Joel have been in my thoughts and prayers for many years. It hasn't been an easy time, but through it all you kept a smile on your face. You truly were a devoted care giver. May happy memories over come the grief you and your family are feeling now and May God bless and comfort you now and always.  
Love and prayers,

“ My prayers are with your family at this time of loss. Wayne was always so proud of his precious children. I can still see him pushing the store cart around with you children inside and the glowing pride on Wayne's face. Also, I looked forward to R.E.S.A. classes that Wayne taught. They were the most informative, entertaining, and practical of all classes. He had a big heart and will be greatly missed. Karen, I commend you for working so hard to get Wayne to the performances of your children. I know it had to be difficult, but what a blessing to him. May God bring many precious memories to your mind to comfort you and bring you laughter.
