“ *The video tribute to Linda was wonderful and showed how her life was filled with love, laughter and joy. My earliest memory of Linda was waiting for the school bus together to ride to school. She could always make me laugh and see the bright side of things. It's been too many years to count since I last saw her, but you never forget those who brighten moments in your own life. Extending sympathies to her family and those who loved her.*

“*She was like a second mother to me... I'm heart broken and feel lost without her. She was an anchor in my life and to all who came in touch with her. She will be sorely missed...Thankfully, she is with our Heavenly Father and at peace now...I love you Mama Love and will never forget you...*

Linda was such a loving, kind person. She was a lot like her mother, my aunt Louise. So glad I got to see her at my sister Donna's home on Hilton Head Island. I love you Linda.

“ Hi cuz, I love you and I’m certainly going to miss you. We have been friends and cousins all of our lives and there have been ups and downs - mostly ups. We had so much fun as children and adults - riding your bike to the swimming pool with me on the back of it and all the summers you spent with us in Kentucky and let’s not forget all the late nights of playing hand and foot and snacking every time we took a break! I miss you already - I will see you again and “I love you”. Brenda
