“ *Ken, Mandy and Chris, I can't begin to tell you what Doris meant to me. You all opened your hearts and your home to me shortly after I moved here almost 27 years go. I always admired how smart Doris was. She could do anything and it seemed like she had so much knowledge about everything. More importantly whatever she did, it was with her beloved Ken. They were an awesome couple. Thank you for unselfishly sharing Doris with me. In the days ahead and we're missing her, remember she is absent from the body but she is present with the Lord. Much love. Wanda Ragland*

“ Dear Mims and Nichols families,

I was so shocked to hear of Doris' passing. She was such a wonderful person to know. I didn't get to see her or the family very much, but whenever we "bumped" into each other there was always laughter. I loved her very much and am sending all my thoughts and prayers to the family. Much love, Sue Nolen.

“ *I was so very sorry to learn of Doris' death. We worked together many years ago at Newnan Housing Authority and we had kept in touch over the past few years on Facebook. I will always remember her smile and generosity. I hope each day will bring you a bit more peace and a little less pain in your hearts.*

“ *Doris, I will never see a ghost again without thinking of you and Kenny. I am going to miss our chats. Who on earth is going to keep me informed about what all is happening? We had so much laughter, and we always seemed to be in tune.*

*I know you are in a wonderful place, but just keep a seat warm for me and when I get there we can talk for eons and still not catch up! Love you lots, and I'll try to keep up with Kenny.
