“ *Linda and I graduated together from Western High School where she was valedictorian of our class. She was very smart and always so sweet. We have had a "Girls Night Out" group of fellow graduates and friends for many, many years and it was always so special to see her at those times. She was a very good friend to all of us and was very special to her family members. We will miss her and are thankful for all the time we have had together. Prayers and sympathy go out to her family during this sad time.*
