“ Aunt Linda was one of the kindest people I have ever known. I don't have the words to describe how much of an impact she has had on my life. I'm a better person because of her and will cherrish her memory always.

Forrest, there are no words to express the sorrow of losing your precious wife. I remember years ago when she was riding her Harley and I told her she was amazing and I wished I could ride like she did. She encouraged me to at least try and she would teach me <3 Linda was a amazing lady and such a good soul. She will be missed by many.
