“ *Dear James and all of the Sikes Family, I know that you are sad now, but I hope you find peace in all of the great memories that we all shared with your dad. I can remember so many times that he made me smile. Papa Sikes had a way of doing that with the ladies, young and old! When I think of Papa Sikes, I think of a man that loved his family. I also remember how he liked to celebrate his birthdays giving away money to the grand-kids that he collected through the year and what ever they could grab in their hands is how much they were able to keep. I have so many memories from my childhood spending time at their pool and the cook outs. Mr. Sikes will be missed by many. You all are in my thoughts and prayers. With love, Michelle S. Sorrell (Linda's sister)*

“ *We pray that God stand by you and bless you at this time of grief. We extend our heartfelt sympathy for your loss. Learning of Lionel through his son James we grew to know a man of great strength of character and love of family. Be assured that his good example for life has reached far beyond his shadow to those who came to know him through his family, a true measure of his contribution to the world.*
