“ I shared Lois obituary with mom today. She was so sad to hear of her passing. She said the Browns lived across the street from us on Ingram road and we became lifelong friends. We had a wonderful group of great friends. We would do fun things together with the girls and as couples. She wishes to say how lucky she was to have had her in her life. And she enjoyed hearing the memories of the Dobson and Brown kids.
I also have fond memories of Mrs. Bedenk and our wonderful friends.

“ Every holiday when I was in grade school was with the Bedenk family. They were "family"! Such warm, special memories! We laughed so much, played games, Lois was my 2nd Mom. She was a fantastic cook! Her hugs were warm and her smile radiated her love. I remember the warmth around the dining room table. The Bedenk family is one of the most loving families I have ever known and hold a special place in my heart. May God's comfort uphold you in this difficult time.

“ I was so sorry to hear of Mrs. Bedenk's passing. She will always be "Mrs. Bedenk" in my mind. We never would have dreamt of calling her by her first name, nor any of the other "grown-ups" in the group. I have great memories of the special friendship shared between our 4 families. Picnics, holiday get togethers and even hiking in Brown County, Indiana. Your mom was definitely one of the good ones and I'm lucky to have known her. My thoughts are with all of you in this difficult time.

“ Mary Ann, Kathy, Tom & Martha... We are so sorry to learn of Lois's passing. She was such a dear friend of our mom and their friendship goes way back. One of the first thoughts of the Bedenk, Bolton, Brown, Dobson group is of the many picnics and family gatherings. But mostly of the years of fun and laughter these special "couple friends" shared. Lois was always laughing and happy. She always had a smile on her face and would go out of her way to be there if needed. We all were blessed to know her. Our hearts and prayers are with you all at this time.

“ *Sending much sympathy to Maryann, Kathy, Tom, and Martha. We heard the sad news this evening through Rich Boloton. I remember Lois so fondly. I remember especially her cheerful voice and her good humor and loving spirit. I know my parents treasured your parents' company. It was a very special friendship that they shared, along with the Browns and Boltons. My partner Brian and I stayed with Bill and Lois for a night or two the last time I was back in Cincinnati--in 1987! It was so great to see them again after many years. I will always remember that hospitable spirit and their good cheer.*
