“ *Lori was a wonderful, smart loving mother and neighbor. It was a small world on Boy Scout road growing up in the 80's. I remember our mama's talking in the yard while we played. She and Jerry would stop and chat with my mama and daddy, borrow tools, sugar and help each other. She loved 'little Jerry' with whole heart and then some. Our Baker family sends love and sympathy to your family. Leahann, Jill, Amy and Mama*

“ Wow, this def hits home and hurts my heart. I have been sitting here this am thinking about if I could say one thing about Lori, what would it be.....the thing that I remember most is her love for both Jerry's. Especially Jerry Jr. You were and always will be the apple of your mamas eye. She loved doing all things with you and a lot was Boy Scout related. I take solace that she is flying high above us now and with my mama and daddy and all her loved ones who have gone on before her. We will see her again one day. Many hugs, love and prayers sent to you all!
