“ *I love you Nanny. I will forever remember our great times together, and our morning biscuits and jelly. You were the best grandmother a guy could ever ask for. Thank you for everything you did for me and the entire family and countless others. You were truly one of a kind. Until we meet again someday, I will think of you every day of my life and I will make sure your legacy will remain alive and well with my kids and beyond. With love, Josh Westbrook*
