“ *What I remember most about this precious lady is her smile that shone like the sunshine. I don't ever remember seeing her when she wasn't smiling. She always made you feel welcomed and loved. You can't say that about many people, but you could always say that about her. We all need the kind of inspiration you felt when you were around her.*

Vennie was one of my favorite people!! She was sweet, kind, and ALWAYS the same down to earth person! From the first time I met her in the early '80's until this time, I've always thought she was a precious person! One more thing about her, she was never a person to seek the spotlight! She was just the opposite, she preferred the background!! I'll miss you, my friend!!

Ms Vennie was my roommate on my first mission trip. I fell in love with her and we laughed, prayed and cried together when we left those kids. She will always be in my heart and to her family I know she will be missed but we will see her again. Love and Prayers to all the family and Praise God for putting Ms Vennie in my life. See you on the other side. Sharon Cossell Brandon, MS
